PARDON BOARD
GRANTS PAROLE TO
SHERIFF SMITH

FORMER CLARK COUNTY OFFICIAL IS RELEASED FROM
STATE PRISON MONDAY

Former Sheriff Smith of Clark county, who has been serving a term in the state penitentiary for embezzlement, was paroled yesterday at a special meeting of the board of pardons, to take effect on the 15th of the present month.

A most determined battle has been made for the pardon or parole of Sheriff Smith as it was felt by his friends that he was the victim of circumstances and should never have been sent to the prison. It is currently stated that he became a felon through his goodness of heart to his friends. His shortage came about in letting his friends stand him off for taxes. He made good to the county for every cent which was charged up against him but he was tried and convicted and sent to the prison. The judge and the jury then went to work to try and have his sentence shortened and in fact to free him.

It has been understood several times during the past month that he was to be pardoned at any time so the action of the board yesterday came without a surprise.

DEMOCRATIC ELECTOR
TO BE NAMED LATER

No action was taken yesterday by the members of the executive committee of the democratic state central committee at a meeting held in Reno, to fill the position on the ticket made vacant by the death of E. A. P. Johnson of Elko, who was one of the three electors.

All the members of the committee were present and the matter of the appointment was discussed, after which action was postponed until the next meeting. It is probable that an Elko man will be appointed.

WASHINGTON, Oct. 9.—Hills testified today. Senator Clapp announced that Elmer Dover of Tacoma has been summoned to testify as to the 1904 contributions. Senator Scott of Virginia testified that in October, 1904, the telephone at the republican headquarters rang from the White House, and a voice asked if Higgins had endangered the New York governorship. Scott said "Yes." The voice said, "I will send for Hariman and see if a fund can be raised for Higgins." Scott said the voice sounded like Roosevelt.

THIS AFTERNOON

INDIANAPOLIS, Oct. 9.—Newt Harding resumed the defense statement this morning and said the iron workers union had been attacked. Miller objected and the court sustained Miller saying, "No labor organization is being tried, nor is organized labor upon trial."

Harding said: "The indictment charges the illegal transportation of dynamite and we will show that if dynamite was transported, it was by McManigal and the McNamara brothers."
